Mrs. Bost. I know that you are
 a very sweet and good little girl
 and I don't have eyes for anything
 but you. I'm so happy that I can
 have you as my little sister.
 Love,
 Linda Barker

I will miss you a lot
 but I will miss you
 more than I can say.
 (Linda Barker)

Mrs. Bost
 I like you very
 much
 Love
 Linda Barker

Mrs. Bost,
 I do a very poor job of expressing
 myself, for I'm too good a talker.
 I'm ever so grateful for the
 helpful early training which I
 received for you. I hope that
 when I begin teaching I shall
 be able to have even a small
 fraction of your pleasing disposition.
 We'll miss you lots.
 Linda Barker,

Mrs. Bost.
 I shall never forget
 you in the future. As
 you can see I never did
 learn to write. She
 best of luck to a small
 teacher. I sure will
 miss you.

Here's to our dear A. O. School,
Loyal we'll ever be
Our colors are white and blue
"We'll always show that we are true;
Though years may come and go,
Still will our memories cling
To our dear A. O. School,
Loyal friends and teachers too,
And we'll always sing thy praise.

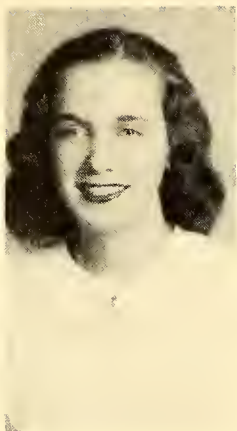

DEDICATION

To our former principal

whose footprints were early and lasting on the Altamahaw Ossipee area; to his quiet, continuous work that lay firm foundations for this school; to the love and devotion he showered on this folk; to a man firm in conviction, loyal in trust, the class of '49 dedicates this, the fourth "TOMAHAWK"

FOREWORD

Preparing an annual is not an easy task, in spite of the fact that it is an interesting one. To include all the footprints of interest and importance to each individual in the Altamahaw Ossipee School is obviously, impossible. We have included those footprints which we believe are and will remain of greatest interest to most readers.

If, in years to come, you can, by turning through the pages of this book, retread the happy footprints made during your happy school days, we, the TOMAHAWK staff will feel amply rewarded for the hours spent on planning, organizing, selecting, and editing this material.

In this, the fourth volume of the TOMAHAWK we have tried to catch a glimpse of life as we know it in our school. May each page bring back pleasant memories which will be cherished in years to come.

TO OUR SCHOOL OFFICIALS

Perhaps the greatest Indians of them all are these people whose steps have planned and guided our school to many achievements. Their strong will, backed by ardent simplicity and love for all people, prevents our school from sitting back in complacency. They urge us to dig our feet deep into the ground and move-running toward light and liberty for all people.

WE WERE THE

SENIORS

OF NINETEEN

FORTY NINE

“Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time.”

We walked again and again on the Peaceful paths of Altamahaw-Ossipee. We walked during the closing days of war, through day of high prices, and through the upsetting years of '48 headed by Harry Truman. Through wind and rain, mud and dust, snow and ice, sunlight and moonlight, we forced our path around this citadel of knowledge. Many footprints grew dim, others disappeared completely.

We walked in search of laughter and the joy of living. We participated on successful basketball and baseball teams; realized the school's first football team; enjoyed a full time music teacher. We danced and ate at parties and banquets; demonstrated our skill, beauty, and talents on the stage, on the air, and on May Day. We showed our love for Alma Mater by leaving a \$500 gift to her.

We listened to your ringlin bells---to the roar of your buses---to the music and noise of your happy folk. We waited in line for food, complained about Prunes, begged for larger servings. We critized, laughed, and cried, but we continued to grow and make footprints.

From these happy paths we begin to blaze new trails. Who knows but, that our feet might lead to the high places. Regardless of the size, the direction, or the distance our footprints take, our journey started here YESTERDAY, flourshed TODAY, and continues TOMORROW.

THE STUDENT COUNCIL

The Student Council plays the same part in the life of a high school or college student that our state and national government plays in the lives of each citizen. The outstanding aim of such an organization is to create the best atmosphere for the majority, with due consideration for the minority. To establish this atmosphere regulations are made where deemed necessary. The laws which our legislative group has made are relatively few; controlling the social activities of the school, discipline problems, school wide elections, and numerous other activities.

Functioning of the Student Council is in accordance with the spirit and cooperation of the entire student body.

MONOGRAM CLUB

The Monogram Club is an organization of athletes who have participated in varsity sports. They are elected by a majority vote of the club. After being nominated, they are discussed by the members. If they are elected by a majority vote, they are tapped into the organization.

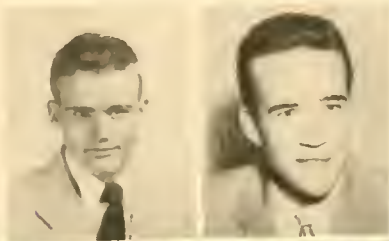

They are allowed to enter the club only if they perform the services to the school specified by the club and constitution. If they go through the initiation services, they are considered as full-fledged members.

Outstanding members of the senior class may be taken into the club as honorary members. This is only when they have done something outstanding, but have not participated in varsity sports.
